“If a child is to keep his inborn sense of wonder... he needs the companionship of at least one adult who can share it, rediscovering with him the joy, excitement and mystery of the world we live in.” Rachel Carlson

July 15, 2022

The success of the daycare has attracted and retained well-qualified teachers, who provide safety and learning for all children. Our labor costs will still be approximately 75% of our budget. Food costs, benefits, services, and insurance have also greatly increased and these adjustments need to reflect in our rates for families. The cost of living has increased to 5.9% and our costs have gone up dramatically in most areas.

The last rate increase was on August 30, 2021. As of August 29th, 2022, we will have new rates in all areas. Last year we only did a \$5 per week increase which was not the cost of living and with the increase in costs overall, we need to do a larger than usual price increase this next school year. Please see the list below. We will continue to be prudent in the managing of expenses in order to keep costs in line for families who understand what quality childcare means.

New Rates-August 29, 2022

6 Weeks to 1 Year*	\$335/Week \$72/Day for part time
1 Year to 3 Years*	\$320/Week \$69/Day for part time
3 Years to 6 Years*	\$310/Week \$67/Day for part time
After School*	\$30/Day (1-4 Days) \$120/Week (5 Days)
Lunch*	\$57/Full Day (non-School day) \$8

Reminder: As stated in the Parent Handbook, any child who attends full time receives 10 vacation days. Full time is considered 5 full days and part-time is considered four days or less. After School children do not receive vacation days.

If you have any questions regarding the rates or your account, please feel free to contact us at 850-5430 or email at adventuresoffice1@gmail.com.
