*"If a child is to keep his  
inborn sense of wonder... he  
needs the companionship of  
at least one adult who can  
share it, rediscovering with  
him the joy, excitement and  
mystery of the world we live  
in." Rachel Carlson*

**NOTICE TO FAMILIES WHO HAVE A CHILD OR  
CHILDREN IN ADVENTURES IN LEARNING CHILD  
CARE CENTER, INC.**

July 9, 2025

The success of the daycare has attracted and retained well-qualified teachers, who provide safety and learning for all children. Our labor costs will still be approximately 75% of our budget. Food costs, benefits, services, and insurance have greatly increased and these adjustments need to reflect in our rates for families. We also pride ourselves in having teachers with many years of experience, education and longevity at our center. Our low ratios benefit every child.

The last rate increase was on September 2, 2024. As of September 1, 2025, we will have new rates in all areas to reflect these living increases. We have greatly increased our staff's wages and have kept our same level of care with appropriate materials. Please see the list below. We will continue to be prudent in the managing of expenses in order to keep costs in line for families who understand what quality childcare means.
